

Welcome to the Fiscal Year (FY) 2026 Draft Proposed Budget

This FY 2026 Budget utilizes our interactive budget platform, that also serves as an interactive tool to all citizens and visitors for greater transparency throughout the calendar year.

The video to the right of this message and in the instructional information in the Table of Contents below, provide instructions on how to navigate the budget book and its components. Please note, this is the same video as last year as no functionality has changed.

Should you need any further assistance navigating this budget book or have any questions, please email the Finance Department at onlinebudgetbook@abingtonpa.gov or call 267-536-1052.

General Fund (01)

FY 2026 BUDGET

PURPOSE OF THE FUND

The General Fund is the Township's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

BUDGET OVERVIEW: GENERAL FUND

FY 2026 Budget

The chief and base operating fund of the Township is the general fund, and its sources of revenue provide the financial resources for core services, including administration, police, public works, engineering, parks, library, and code inspection services and property maintenance. The general fund, in FY 2026, continues to be the primary method for accounting for general operating expenditures, with real property and business, mercantile and other Act 511 taxes and represents seventy - three percent (73%) of the sources of revenue. The 2026 general fund property tax levy is projected to generate \$17,654,442 in income, the earned income tax is projected to generate \$11,400,000 in income, and the mercantile and business privilege taxes are projected to generate \$8,765,000 in income. These stated income levels are greater than 2025 levels.

2026 GENERAL FUND			
REVENUE RECAPITULATION		EXPENDITURE RECAPITULATION	
<u>OPERATING REVENUES AND CAPITAL</u>		<u>OPERATING EXPENDITURES</u>

Police Overview

FY 2026 BUDGET

Overview

The Police Department's mission is that the members of the Abington Township Police Department will be guided by the values of our community and will faithfully perform their duties in accordance with the United States Constitution, the International Code of Police Ethics and all federal, state and local laws.

To accomplish this mission more effectively and efficiently, the members of the Abington Police Department have adopted the motto, "To Protect and Serve with PRIDE", along with the established goals, objectives, policies and procedures.

Police Department: Traffic Safety (419)

FY 2026 BUDGET

Our Services

The Traffic Safety Unit is focused on the safety of all motoring and pedestrian traffic within Abington Township. Among many other qualifications, this unit is trained in advanced crash investigation techniques. They are responsible for any major crash that occurs within the township. Members of the unit are also part of a network consisting of surrounding Montgomery County townships, where they function on a team of crash investigators for major crashes. The Traffic Safety Unit addresses various traffic-related complaints from residents and motorists on a daily basis. These complaints range from speeding vehicles to abandoned automobiles to parking concerns. They maintain an excellent working relationship with PennDOT officials, addressing concerns regarding PennDOT roadways within the township and seeking resources that PennDOT has to offer. The Traffic Safety division is committed to improving the safety for both pedestrian and motoring traffic in Abington Township.

The Traffic Safety Unit conducts numerous traffic surveys (speed, volume, driving habits, etc.) each year. They coordinate all targeted enforcement activities in areas where needed. The Traffic Safety Unit places speed detection and warning devices on roadways to better educate the motoring public and to enhance safe driving practices.

Police Department: Animal Control (422)

FY 2026 BUDGET

Our Services

The Abington Township Police Department provides various animal control services to its residents. Services provided vary greatly. Often times sick or injured animals posing a risk to the public are removed from resident's homes or properties. The Animal Control Officer works with the citizens of the township assisting them with their animal complaints or issues, striving to reach the best possible solution for everyone involved.

Library Overview

FY 2026 BUDGET

Overview

The Library's goal is to provide a central resource facility, available to all who live, work, and pay property taxes or attend school in the Township of Abington and the Borough of Rockledge, which will answer the informational, educational and entertainment needs of our patrons.

American Rescue Plan Act (01,04)

FY 2026 BUDGET

PURPOSE OF THE FUND

The American Rescue Plan Act (ARPA) of 2021 established the Coronavirus State and Local Fiscal Recovery Fund to assist states, counties, municipalities, tribes and territories in providing relief to governments and communities impacted by COVID-19.

BUDGET OVERVIEW: AMERICAN RESCUE PLAN ACT (ARPA)

FY 2026 Budget

EXPENSES

Due to U.S. Treasury requiring funding obligation by 12/31/24, the Board of Commissioners obligated all funds in FY 2024.

Since funds were obligated in previous fiscal years as required, there are no obligations included within this FY 2026 budget as all funds have been previously committed.

Capital Fund (02, 03, 09, 18, 19, 35)

FY 2026 BUDGET

PURPOSE OF THE FUND

The Capital Improvement Fund accounts for the acquisition, construction, or improvement of capital facilities or infrastructure by the Township. It also funds various capital purchases for vehicles, trucks, equipment, etc.

Capital Items by Fund

Highway Aid Fund: Traffic Control Devices (433)

FY 2026 BUDGET

Our Services

The Traffic Signal and Maintenance Division of the Public Works Department of Public Works provides for operation, maintenance, repair, and construction of new and existing traffic signals, and street lights. In addition, this division maintains school speed limit flashing beacons, fire station beacons and other types of flashing signals.

2014 FUND BALANCE POLICY FOR UNASSIGNED FUND BALANCE

The Township shall maintain a minimum year-end General Fund (GF) unassigned fund balance amount not less than one month of averaged annual operating expenditures (current policy calls for 7.5% of prior year revenues). This minimum reserve will allow the Township to realize a certain level of investment earnings and provide a minimum GF reserve for emergencies and contingencies. Further, it is the goal of the Township to maintain a year-end GF unassigned fund balance within a minimum of one month expenditures (8.5%) up to a maximum of three months of expenditures (25%). Unassigned GF fund balance is defined as those financial resources available for spending and therefore not reserved for specific purposes such as encumbrances.

Fund Balance Planning

- Each fiscal (calendar) year during the budget process, the GF fund balance reserve will be evaluated by the Board of Commissioners to determine if adequate levels of reserves are being maintained, based upon the Township's financial strength and economic conditions.
- The Township will retain flexibility to allocate available funds based on the current circumstances and needs of the Township.

Fund Balance less than 8.5 Percent

- Any temporary, planned reduction of the year-end GF unassigned fund balance below 8.5 percent shall require a two-thirds approval vote of the members of the Board of Commissioners if the year-end GF unassigned fund balance has fallen or is expected to fall below the 8.5 percent.
- The Board of Commissioners shall adopt a plan to provide for a scheduled replenishment back to a minimum of 8.5 percent within one to three years.
- In absence of such a Board plan, the Township Manager and Finance Director shall implement expenditure reduction measures to accomplish such replenishment.

Fund Balance in excess of 25 percent Goal

- If the year-end GF unassigned fund balance has exceeded or is expected to exceed the maximum goal of 25 percent as outlined in the policy, the Board desires to allocate 55% to 60% of excess fund balance to be transferred to the Permanent Improvement Fund for future capital projects, and 35% to 40% to be transferred to the Other Post Employment Benefit (OPEB) Fund to reduce the existing unfunded liability, and 0% to 10% to support the next year's General Fund budget.
- Any contemplated use of Permanent Improvement Fund Balance outside of the annual budget process will require a two-thirds approval vote of the members of the Board of Commissioners.
